

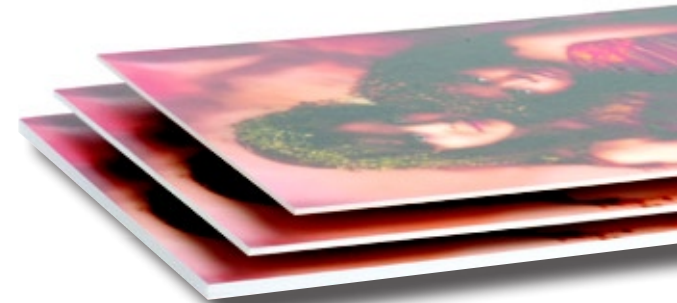

# photographic prints

Using professional printers with Kodak Endura professional papers in lustre and metallic, we offer photographic prints in a variety of sizes from wallets to 30x40 and larger.

Three mounting substrates are also available to add an extra level of craftsmanship and durability to your prints.

Our archival prints are rated to last up to 100 years in a typical home display or up to 200 years in dark storage.

The blue columns represent the base price for each of the two different paper types. The yellow and pink columns are optional add-ons for your prints. We highly recommend adding 2mm styrene to your prints.

# KISS albums

If you just can't pick one or two favorites from your session then a KISS is the right product for you. KISSes come in 2 flavors: either leather or linen covers. The Leather KISSes have a thick substrate between each page. Linen KISSes are 2 prints glued back to back, making them thinner. KISSes are available in 4 sizes: 4x4, 8x8, 10x10, and 12x12.

KISS Books come in seven ridiculously good-looking colors:

- Virgin White
- Sultry Blue
- Forbidden Green
- Smouldering Brown
- Passion Pink
- Voluptuous Black
- Redlight Red

Size	Leather KISS (10 spreads/20 sides)	Additional Spread (each)	Linen KISS (10 spreads/20 sides)	Additional Spread (each)
4x4	\$100	\$3	\$100	\$3
8x8	\$800	\$25	\$400	\$10
10x10	\$950	\$30	\$500	\$15
12x12	\$1100	\$40	\$600	\$20

We hate to see a beautiful photo cut down the middle, so we build all of our spreads with a micro-fold, not a cut. Our binding lays beautifully flat, so each spread can be presented in all of its glory.
