no session fee for life

Go ahead...pick your jaw up off the floor. you heard us right. We are waiving your session fee for life! First comes love, then marriage, then comes the baby carriage. We want to be there for every moment.

complimentary engagement session

We offer this for one reason: We love you. Ok maybe we don't love you yet, but we think we will once we get to know you. That's what this session is all about. Getting comfortable in front of the camera, doing jumping jacks, getting into trouble, laughing hysterically then crying hysterically. It's like a date movie, but with cool people and cameras.

50% off guest book

You gotta have one so it might as well be awesome. Our guest book is a hard cover coffee-table book that features photographs from your complimentary engagement session

\$100 off parent album(s)

Who doesn't love a KISS? We do. You know you do. And even though your parents are old wise, they were once young and carefree, kissing strangers & puppies with abandon. They just want a KISS too! Who are we to say no?

\$100 off gallery wrap canvas

Canvases rock. Gallery wrap canvases featuring your wedding-bliss filled mugs rock even harder. Since you don't need a frame you can order them at any size imagineable and you can hang them anywhere your newly-wed hands can reach.
